Clear Scraps Scalloped Circle Frame

Patterned paper: Basic Grey
Magic Mesh (Forest Green)

Stickers: Basic Grey Elements
DMC floss (brown)

Adhesive: Zip Dry, Glue Dots & AdTech tape runner
Machine stitching Misc brad (small)

Alphabet stickers: American Crafts

INSTRUCTIONS:

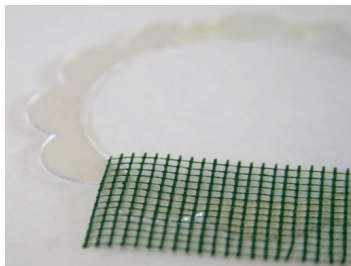

In this project, a Clear Scraps 12x12 blank acrylic sheet will be your layout's background.

1. Trim a piece of Basic Grey Sultry patterned paper to a 9.5 x 9.5 square and adhere to the center of your acrylic sheet

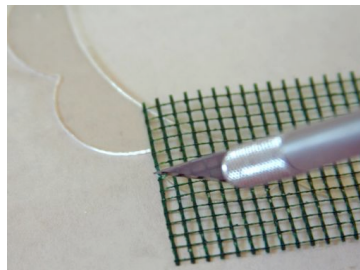

2. Using an 80/12 needle, sew a straight stitch a .5" from the edge of the patterned paper on the top, right and bottom.

3. Adhere Basic Grey Sultry Element sticker to act as a left side border.

4. Cover a Clear Scraps Scalloped Circle Frame with Magic Mesh (Forest Green). Magic Mesh is already self adhesive, if it's not sticky, it's not Magic mesh!

5. Trim the Magic Mesh with a craft knife.

6. Peel and stick Basic Grey Sultry Element button stickers to Clear Scraps Scalloped Circle Frame. Using a paper piercer, poke holes through the button holes.

7. Hand sew DMC floss through button holes.

8. Adhere Scalloped Circle Frame with Zip Dry glue and Glue Dots (under buttons).

9. Adhere photos, Basic Grey Sultry Element ric-rac and photo turn (again, use your paper piercer to make a hole for the small brad) stickers, alphabet letters, and journaling to layout. Your “clear” layout is complete!
